PART 1:
Working with a partner, carefully research each topic. Using only the resources available through the Webquest website (address below). Make sure that your notes are extensive and detailed, as you will need an understanding of the Holocaust and World War 2 to truly understand Eli Wiesel’s memoir, *Night*. You will need at least five dot points of useful information under each topic. Use the five questions contained in the text box to help guide your note-taking. The answers are to be handwritten in your books. **They must not be typed.** You will need them in lesson.

(Note: Please ignore any reference to assessment in the Webquest. You are only required to do the work on this handout.)
